

HORSE TO HEART

Established in 2010 • Nonprofit since 2016

“When two hearts bond, the magic begins!”

At **Horse to Heart**, we believe every horse deserves love, care, and a forever home. Since 2010, we've been dedicated to rescuing, rehabilitating, and rehoming horses—helping them find families who cherish them.

Your support makes this possible. Every donation, no matter the size, helps us provide feed, medical care, and training for horses on their journey to a brighter future. Together, we can give horses the second chance they deserve.
