Horse to Heart Fundraiser & Celebrating Oak Creek Corral's 22nd Anniversary

Celebrating 22 Years of Oak Creek Corral!

Horse to Heart was established in 2010 and became an official nonprofit in 2016. Over the years, we have rescued many horses and livestock. Over the last two years 8 horses have been rescued and rehabilitated along with many finding forever homes.

Our Annual Jamboree & Fiesta is the special day when children in lessons get to show their family and friends everything they have learned. We invite each family to bring up to 10 people who may enjoy the day and have an interest in the ranch!

Activities start around 12:00 PM and include:

- Equine demonstrations choreographed to music
- Mechanical bull • Games • Food Truck
- Country line dancing • Karaoke • Desserts

This is our ONLY fundraiser of the year. All proceeds aid in providing food, shelter, medical attention, as well as tack and supplements.

☀ Ranch Wish List ☀
